### **Narrative:**

On December 10, 2013, I received an email from Ms. Phillips in regards to the glider pilot's memory of the accident. Below is a record of her email;

*"As of 12/10/2013, Don (the glider pilot) does not have specific recollection of the events of 05/04/2013. He remembers being with the mechanic at some time, remembers Van Sant airport, but does not associate these things with an accident or a specific time or date".*
